FOR IMMEDIATE RELEASE

STATE ROUTE 111 (SR-111) PAVING PROJECT IN PALM SPRINGS

PALM SPRINGS—The California Department of Transportation (Caltrans), District 8, will be performing pavement rehabilitation on SR-111 from Golf Club Drive to just north of Ramon Road in Palm Springs. The rehabilitation will provide for longer lasting pavement and a smoother ride for motorists.

The project will begin on Wednesday, September 3, 2014. The work will take place from 7:00 p.m. to 5:00 a.m. Motorists are advised that there will always be one lane open to traffic.

There will be minimal delays to motorists during the flagging, however if possible, use an alternate route to avoid the work. Be alert, and pay attention to all signs and workers providing direction throughout the project limits.

For more information on these and other Caltrans projects, visit our web site at www.caltrans8.info and sign up for [COMMUTER/MEDIA E-MAIL ALERTS](#). View traffic conditions at <http://quickmap.dot.ca.gov> or you can view planned lane closures at www.lcswebreports.dot.ca.gov. Follow us on Twitter at www.twitter.com/caltrans8.

Caltrans asks that motorists please be aware of the work and [SLOW FOR THE CONE ZONE](#).
